From President Lois

Welcome back all you summer travelers. I can't wait to hear about your knitting tales.

If you missed some summer meetings, we had a SWT Company-trunk show and saw some fantastic edging samples last month--thank you Nazee and all who brought in edgings.

Hope to see you at the September meeting. Please invite your friends: we always welcome new knitters of any level.

It is also time to bring your check books as dues are payable in Sept to Dana.

See you all soon
—Lois
