Many thanks to Christine for hosting nine Guild members for a relaxing eat and knit afternoon. It was a mini-vacation for all who came. Don't miss the next one. It is yet to be scheduled

Our October meeting is about charity knitting so bring your wares for show and tell. We will take photos for the web site.

I hope you are practicing the massage tips from Jennifer Rockwell She gave us many tips to keep us knitting into our later years. That was a very useful meeting our program chair-woman set up!

See you all in October bring a friend if you can.

Take care all.
