Presidents' Message

Finally, summer has officially arrived. While we are enjoying those warm "lazy hazy days" it's still cool enough in the evening to think about knitting yourself a simple shawl to keep your shoulders warm. See the "check it out" section for a simple pattern. Nazee and I look forward to seeing you all at the next meeting. Hope you had a Happy 4th of July.

Marcia Hammett

Nazee Fard

Minutes of the June 12 guild meeting

Marcia Hammett called the meeting to order at 10:00 on June 12th. Thirteen members and one guest attended.

Marcia introduced a guest, Paget L. Lenarz. Marcia said it would be too difficult to set up a booth at the Oakland Fiber Festival. Instead, those who are interested in attending should let Marcia and Nazee know and a group of the members can attend. The festival is June 27.

Marcia showed the new club business cards

which will be used instead of our former flyers. She had ordered them from vistaprint.com.

A poll with the yahoo group had only 13 responses on the proposed ladder system of club officer advancement. Another poll will be taken at a future time.

On Friday, August 13th, Nancy Roberts will have a dyeing session in her studio. (Check out new dates on the calendar)

There will be a session

every other Friday in August and will be \$10 a person. We can sign up at the July meeting. Also, there will be a yarn exchange at the July meeting.

After our September meeting, Nazee will have a workshop on understanding knitting symbols. It will be at our regular meeting place after lunch. So, reserve September 11 for an all day knitting session.

Many creative and unusual knitted and crocheted potholders were brought in by members. Some had been made by members' mothers and grandmothers and were still in beautiful condition.

Marcia showed her beautiful new crocheted and knitted sweater that she had just completed. Members showed their latest projects.

Lois brought three Turkish capes to show us. She will do the Turkish Cape demonstration at the July meeting. They are made of alpaca sport weight or d.k. And the pattern is in the Fall 2005 Vogue Knitting Magazine or Shawls & Wraps, a book by Vogue

Knitting. Lois used some motifs from the book 1000 Great Knitting Motifs by Louise Roberts.
